\* Explanations relating to the appropriate use of results forecasts, and other noteworthy items

1. The results forecasts contained in this document are based on certain premises derived from information available to the NTT DATA Group at this time. As a result of various factors that may arise in the future, actual results may differ from the Group's forecasts. For details please refer to “(3) Qualitative Information on the Consolidated Results Forecast” in “1. Qualitative Information for the Second Quarter of the Fiscal Year Ending March 31, 2015” section on page 5.

2. As of October 1, 2013, the Company conducted a stock split at a ratio of 1:100 in common stock. Thus, quarterly net income per share and the number of shares were calculated by assuming that the stock split was conducted at the beginning of the previous consolidated fiscal year.
