

# NTT DATA One Song

– Shine like the sun –

---

There's a road we travel together  
 We cannot make it alone  
 We are walking tall and united  
 with each new step we grow

And with a sense of wonder  
 We're proud of who we are  
 We live and work with passion  
 We're the brightest star

Shine like the sun  
 Let's make the world a better place for everyone  
 Shine like the sun  
 Innovation  
 Dream creation  
 Working proud to make our name  
 Shine like the sun

Breaking down the borders  
 with strength of heart and mind  
 We are a team of winners  
 Progressing all mankind

We will be there to guide you  
 All across the motherland  
 Brothers, sisters united  
 One family holding hands

Shine like the sun  
 Let's make the world a better place for everyone  
 Shine like the sun  
 Innovation  
 Dream creation  
 Working proud to make our name  
 Shine like the sun

Shine like the sun  
 Let's make the world a better place  
 Shine like the sun  
 Let's innovate to win the race  
 Shine like the sun

☆Repeat × 2

Shine like the sun
