Notice Regarding Adoption of International Financial Reporting Standards (IFRS)

NTT DATA Corporation

NTT DATA Corporation (“NTT DATA”) hereby announces its decision to replace the currently applied Japanese Generally Accepted Accounting Principles (“JGAAP”) and adopt International Financial Reporting Standards (“IFRS”) for its consolidated financial statements in order to improve the international comparability of its financial information in the capital markets and enhance its business management and corporate governance. The period for disclosure based on IFRS will begin with the first quarter of the fiscal year ending March 31, 2019.

The planned disclosure schedule for NTT DATA’s transition to IFRS is as follows:

Accounting Period	Disclosure Documents	Applied Accounting Standards
Fiscal year ending March 31, 2018	Financial results release*, consolidated financial statements, annual securities reports	JGAAP
First quarter of the fiscal year ending March 31, 2019	Quarterly financial results releases, quarterly securities reports	IFRS

Thereafter, disclosure will be based on IFRS.

*Financial forecasts for the fiscal year ending March 31, 2019 will be prepared and disclosed in accordance with IFRS.
